### **A Message from Dr. Gardiner**

Over the past 5 years, it has been a privilege to be part of your children's lives while serving at SHSU Physicians. I have accepted a position out of state, and while it is difficult to say goodbye, I am grateful for the time I have spent with such wonderful families.

Thank you for the trust you have placed in me. It has been an honor to care for your children, and I am confident you will continue to receive excellent care from the providers at SHSU Physicians.

Your child's medical records will remain securely maintained in our office and accessible through Athena. If you need assistance transferring records to another provider, our team is happy to help. Please contact us at 936-525-3600 with any questions.

I am deeply grateful for the relationships we have built and the opportunity to serve your family. I wish you all the very best in the future. I will sincerely miss you.

Best,
